

Advantages:

- easily running Delrin ball bearing in the outer collar
- red point in enhancing strap of stainless steel
- wobble riveting: avoids sharp burrs at the rivet head
- marking 10 (mm rope-Ø) in the enhancing strap
- cheek parts of high quality UV-resistant plastic
- sheaves 51 x 13 mm of specially coated aluminum
- shackle swiveling or fixable
- becket detachable
- low weight
- Made in Germany
- excellent price/performance ratio
