

# Complete tackles

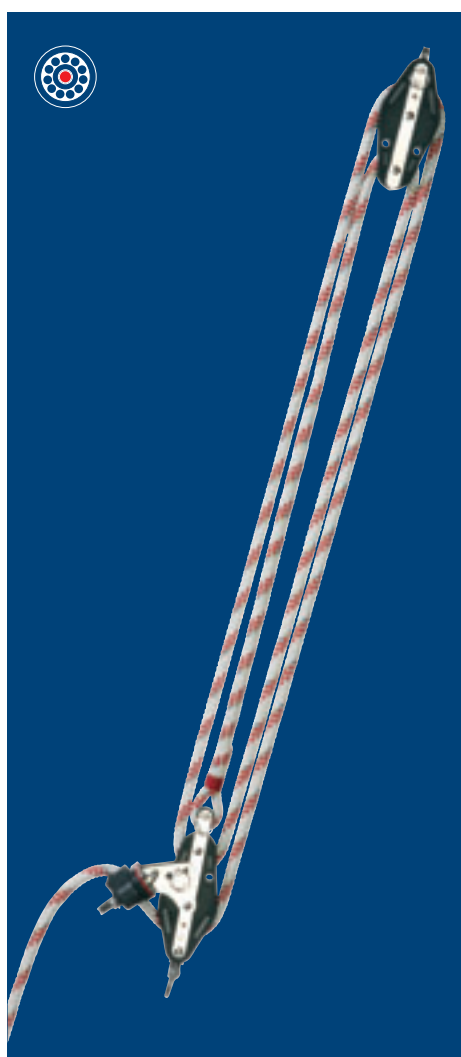

With high quality components:

**Sprenger blocks / German quality-rope**  
**Professionally spliced**

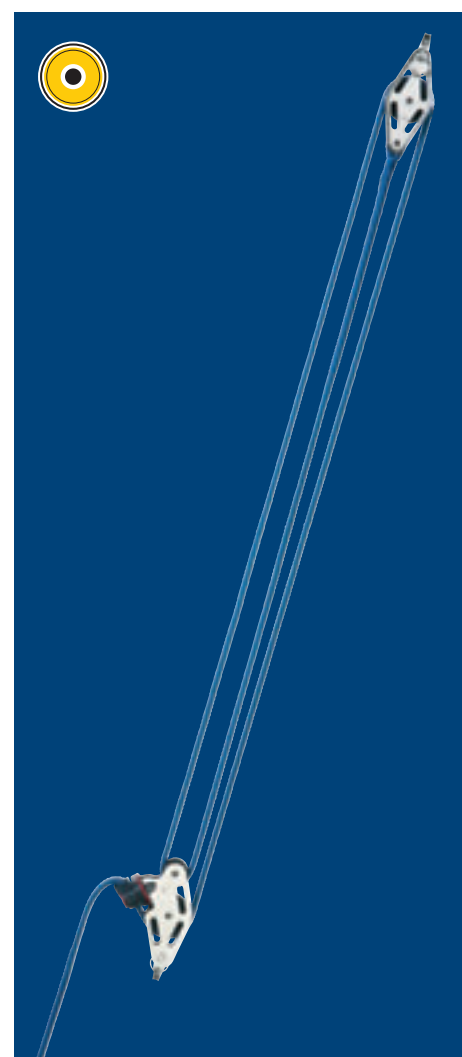

Sprenger sliding bearing

Sprenger ball bearing

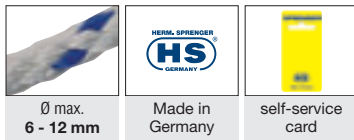

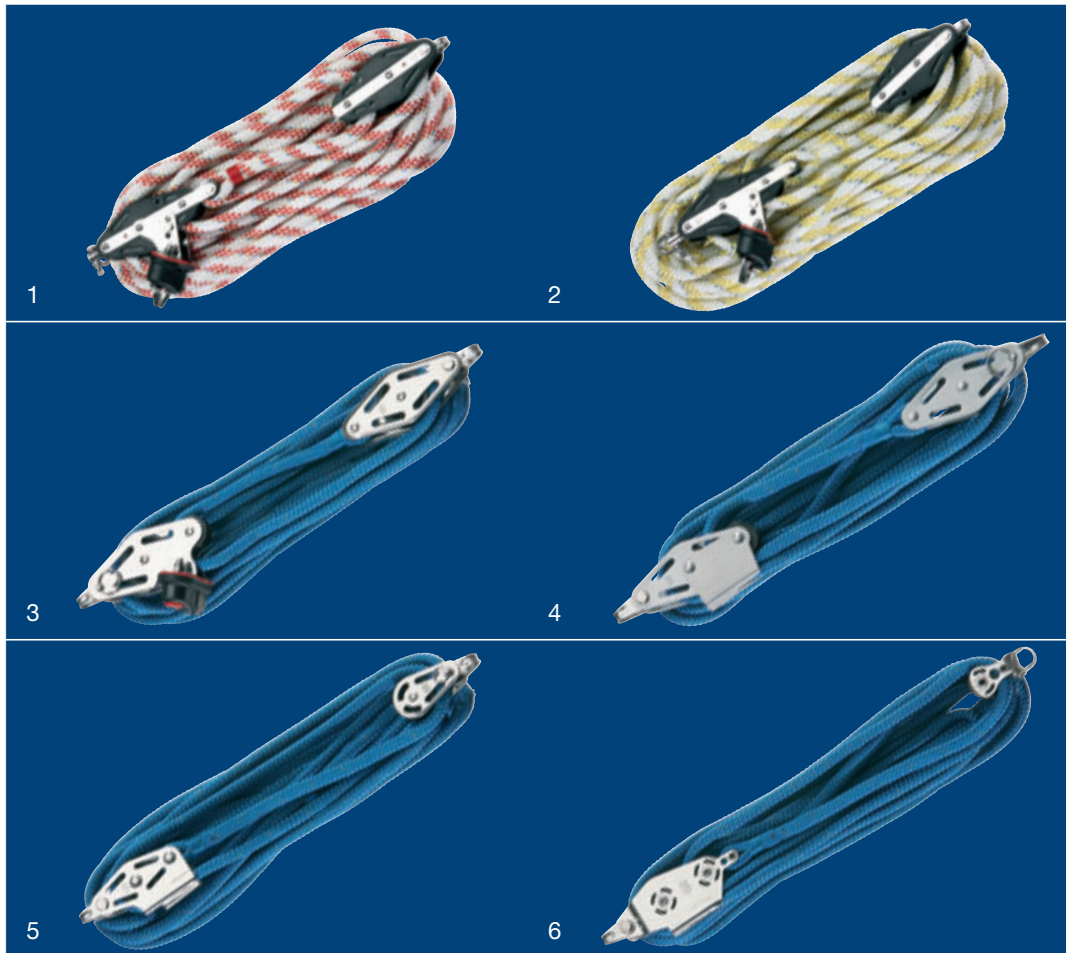

Stainless steel

rope Ø: 6 – 10 – 12 mm  
length: 5 – 15 – 20 m

aluminum  
silver

Ø max.  
6 - 12 mm

Made in  
Germany

self-service

**Advantages:**

- easily running ball bearing or optionally strongly loadable sliding bearing
- bearing shell and balls of stainless steel
- wobble riveting: avoids sharp burrs at the rivet head
- cheek parts of high quality UV-resistant plastic, stainless steel or aluminum seawater-resistant anodised
- sheaves of high quality UV-resistant plastic
- the tackles are composed of high quality components „Made in Germany“
- German quality rope
- Professionally spliced
- Delivery in a practicable reclosable bag
- Made in Germany
- excellent price/performance ratio
